How do you make a claim?

The following is required if you would like to make a claim:

- proof of purchase (this can be a receipt, a copy of your bank statement or order confirmation issued by Dunelm); and
- a description and photos of the alleged fault or defect in the product - to allow us to fully investigate your claim.

Please visit our help pages at www.dunelm.com/info/help to raise a case number and discuss this. Please note we will only replace the affected item, not an entire set or co-ordinating items purchased together.

What do we offer?

We will arrange for an independent service technician to visit you to assess whether your item can be fixed. We will endeavour to always repair your item within your own home.

We reserve the right to use alternative materials to repair your item, but we will try to find the closest match at all times.

Dunelm gives no warranty as to how quickly a technician will be able to attend your home or how long any repairs may take. On occasion the repair may not be carried out on the same day as the technician attends to assess your item. The technician is an expert and will ascertain whether the item has been treated in such a way that the Fogarty Mattress Guarantee will not apply. In that case, their decision is final, and no further correspondence will be entered into.

If the Fogarty Mattress Guarantee does apply but your item can't be repaired, you will be offered a replacement or a like-for-like replacement in the first instance. Where a replacement is unavailable you will be offered a credit for use with Dunelm in the form of a pre-loaded Dunelm gift card. Please note that a replacement or credit will only be given strictly in accordance with the terms and conditions of the Fogarty Mattress Guarantee.

How do you know if a product is covered by the 10 Year Guarantee?

Look out for the 10 Year Guarantee labelling on the outer packaging or against the product online, this signifies that the product is covered.

The above conditions relating to Comfortzone Mattress Guarantee do not affect your statutory rights.
